## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Carolina High School and Academy is a public high school located in the metropolitan area of Greenville County and has been serving the students, parents, and community members of the county for 55 years. We have two separate magnet programs located within our building that serve students from across our district in engineering and health related professions. We have had many celebrations throughout the 2011 - 2012 school year. We moved up on our report card rating to below average with an excellent improvement rating. Our school received the Palmetto Gold Award for our high levels of achievement in absolute performance and growth. This is a true testament to the hard work and efforts of our students and staff. We increased the number of AP classes taught by over 100% as well as the number of students participating in those classes. We went from 22 students participating in three AP classes to 73 students participating in seven different classes, taking a total of 79 AP exams. Our High School Assessment Program (HSAP) scores increased for our first time attempters from 80.9% to 86.4% and our graduation rate increased from 48.85% to 55.8%. This is a direct result of the increase in rigor in our classrooms. We have a tremendously talented and dedicated faculty and staff that have answered the call to teach the whole child. As well as academic success throughout the 2011 – 2012 school year, we have also have had other successes. We had 24 student athletes named as all region players in six different sports, which also includes the 1 AA male track athlete of the year and the overall Region 1 AA Male Athlete of the Year. Our football team made it to the third round of the state playoffs and our basketball team finished undefeated in our region. Our success did not stop at the region level as we had student athlete state champions in both wrestling and track. We had the Greenville County coach of the year in football and the region 1 AA coach of the year in basketball. A group of our students showed their talents in the Above the Influence competition as they took first place in the youth film festival for 2012. Although all of these are exciting and show some of our growth and accomplishments, it is when our students and faculty show their TROJAN PRIDE that really makes us proud. Our students did this by accumulating hundreds of hours in community service and charity work. We partnered with our local Wendy's and had students and staff members freely give up their time on Thanksgiving Day to help feed the homeless in our area. We also came together to orchestrate a coat, clothes, and sock drives. Whether it was Pennies for Patients organized and run by our JAG Program (Jobs for American Graduates), Spirit Week activities which benefited the United Way of Greenville County and was organized by our SGA (Student Government Association) or our JROTC Program getting involved in Habitat for Humanity, it is this giving back to our community that stands out and truly shows that TROJAN spirit. While we have enjoyed many successes throughout the 2011 -2012 school year we acknowledge that there is still so much work for us to do. Our students, faculty, and staff are committed to becoming an excellent school and doing Whatever It Takes! to get there.
